Located 25 minutes by boat from Munda on Lola Island in Vona Vona Lagoon, Zipolo Habu Resort provides an authentic island living experience in traditionally styled and built accommodation, without compromising on the comforts of home. Nestled within a perfect blue lagoon and fringed by white sands and tall green palms, Lola truly reflects a quintessential island paradise.

The resort is the result of many years of hard work by the owners who, along with their children, designed a place for those keen to enjoy a true pacific island experience.

Constructed using traditional Vona Vona building materials of Sago Palm Leaf, Lawyer Cane and Wild Betelnut Tree, all of the bungalows have 240V power, fans and a kitchenette equipped with a gas stove, refrigerator/freezer and cooking utensils. Fresh rain water is provided, along with tea and coffee making facilities. Mosquito nets are provided in each bedroom, although they are seldom needed and all bathrooms have hot water systems.

The two Deluxe Bungalows are located near the water's edge and have private en-suite bathrooms, whilst the semi-deluxe bungalows are set a little further back amongst the trees and utilise shared toilet and shower facilities conveniently located (in a building) amongst flowering orchids and frangipani.

For the ultimate comfort and luxury, the four beach cabins are fitted with air-conditioning and feature a well appointed private bathroom, kitchenette and lounge area. Located right on the beach, each has its own veranda with comfy chairs affording full sea and sunset views.
